

The Edco Handwriting Song

Verse 1

Today let's do some handwriting
Handwriting is an art
Let's make it neat, let's make it fun
But! Before we start

Chorus

Let's write that letter so much better!
Let's write that letter so much better!
(x2)

Verse 2

Listen up now for this tip
It's called the tripod grip
Thumb, index and middle fingers
That's the pencil grip

Chorus

Verse 3

Open up your book
We are almost ready
Place one hand on the page
It will keep it steady

Chorus

Verse 4

Hold your pencil with your strong hand –
Your left hand or your right
Sit up straight, feet on the floor
Now let's begin to write!

Last Chorus

Let's write that letter so much better!
Let's write that letter so much better!
Let's write that letter so much better!
Let's write that letter... Better!
